THE PART NOBODY TELLS YOU

You found the look. Now what?

Every single look comes with four jobs. Tomorrow brings a new look and the same four jobs.

Another late one

1

The photos

2

The words

3

Where people shop it

4

Doing it all again
tomorrow

REAL TALK

Passive income isn't passive
when you are the one doing
every job.

6

PINS A DAY.
BY HAND?

HERE'S THE SHIFT

What if the treadmill ran without you?

Lights out. The list is not on you.

The While-You-Sleep Storefront™ does the jobs for you. Set it up once. Then no constantly making lists.

“NO THINKING.”

WHAT COMES WITH EVERY LOOK

The photos open the door. The words get the save.

- 1 Pinterest Pin copy**
Three Pins per look.
- 2 The Instagram post**
Carousel: lifestyle, styled, clean.
- 3 Shop-the-look blog post**
One page for the whole look.

Each Pin links to the Amazon list its products came from.

THREE CHOICES YOU MAKE ONCE

1

Your theme

2

Your visuals

your own persona, or
flat lays only

3

Your storefront
path

PICTURE YOUR FIRST LOOK

A weekend outfit, a seasonal shelf, a gift guide your people would save.

HOW IT RUNS

Three steps. Then it keeps going.

The computer stays on. You don't have to.

1

Set it up once

2

It builds 2 looks
a day

3

It posts, pins
and blogs

YOU CHOOSE

Automatic by default. Turn approvals on for your first few days if you like to check everything.

WHAT'S INSIDE THE KIT

The pieces behind the pretty.

1

Set it up

A guided setup that records your choices.

2

Build the looks

The themed-look recipe for any theme or season.

3

Keep it running

Scheduled tasks, plus a missed-run check.

4

Extend it

Optional blog and Instagram. Outfit of the Day recipe for Brand Closet™ members.

HONEST, UP FRONT

A quick fit check. Then your first look.

Your tools

Claude desktop and Chrome, Amazon Associates or Influencer, Pinterest, image tools.

Your setup

Your own accounts. The computer needs to be on when the tasks run, and the Amazon list step uses the browser on that computer. Tool costs are separate.

Your path

Blog and Instagram are optional.

HOW IT RUNS

Automatic by default, with the option to approve everything yourself. We recommend turning approvals on for your first few days.

The kit does not promise sales or income.
