THE PART NOBODY TELLS YOU

You found the look. Now what?

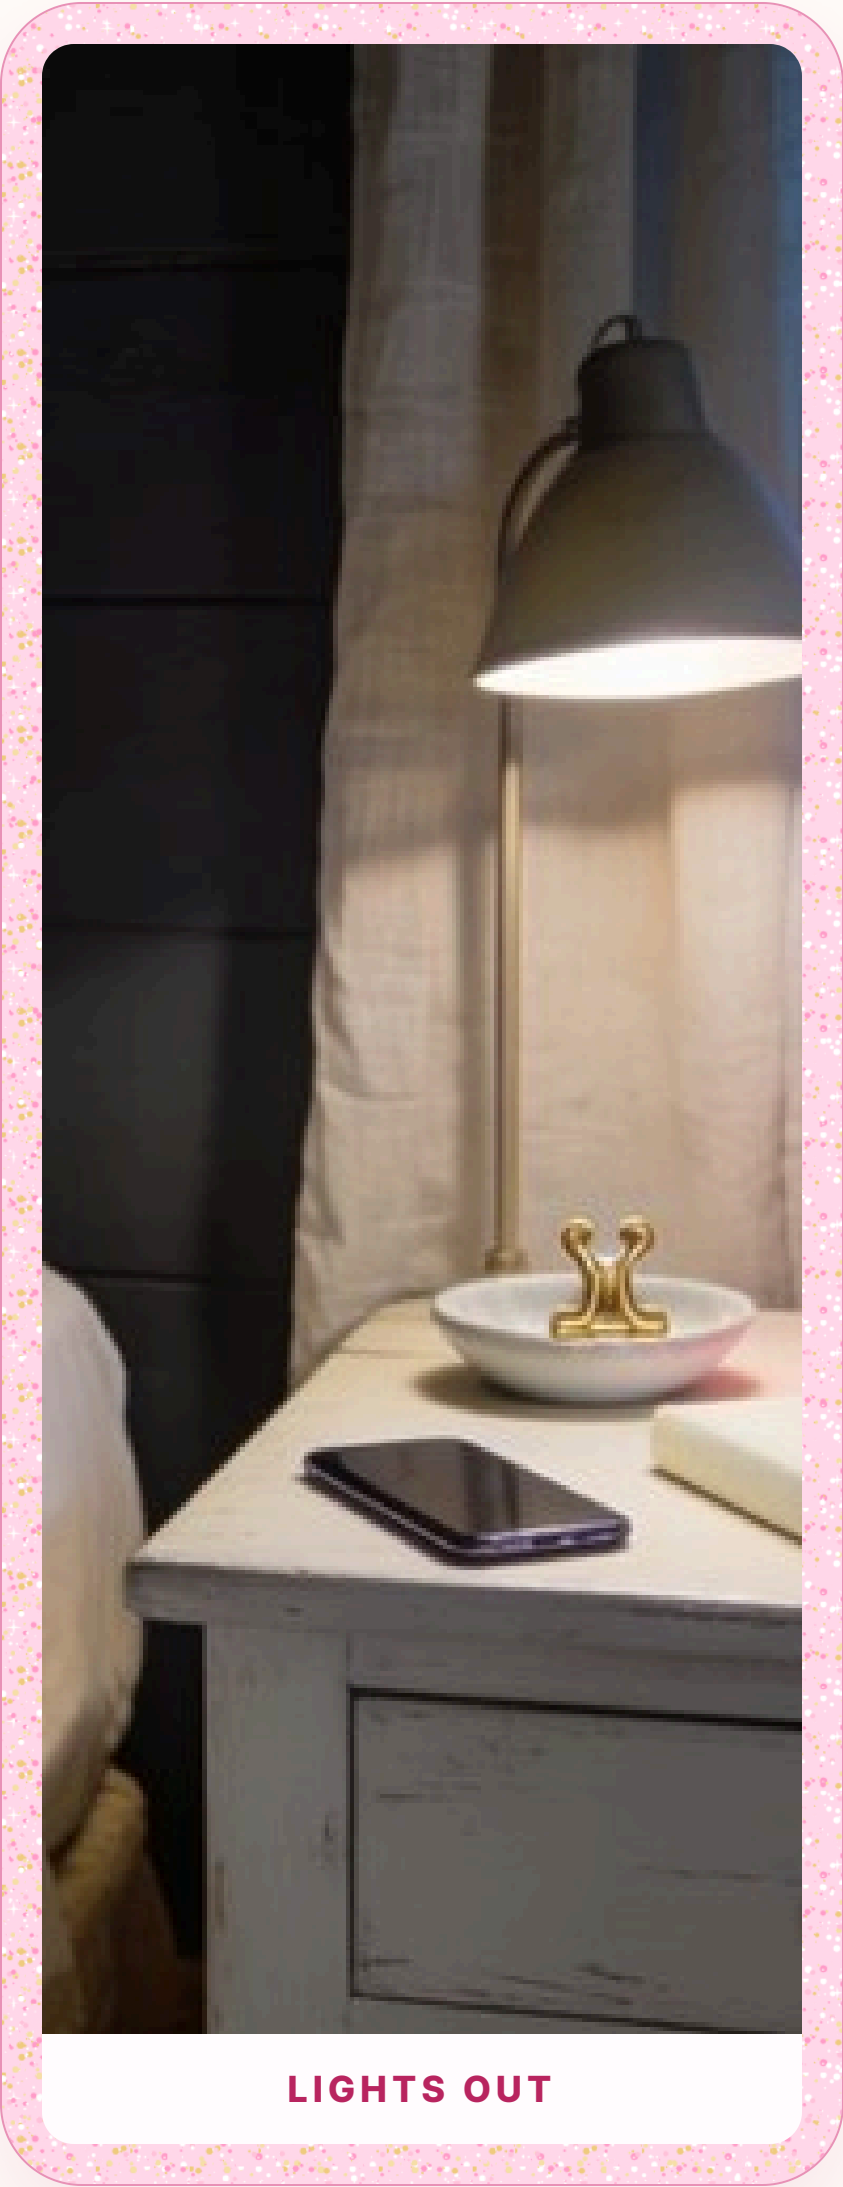

EVERY SINGLE LOOK comes with four jobs. Tomorrow brings a new look and the same four jobs.

ANOTHER LATE ONE • THE SAME FOUR JOBS

- ✓ The photos
- ✓ The words
- ✓ Where people shop it
- ✓ Doing it all again tomorrow

6 Pins a day. By hand? Passive income isn't passive when you are the one doing every job.

LIGHTS OUT

— HERE'S THE SHIFT

What if the treadmill ran without you?

The While-You-Sleep Storefront™ does the jobs for you. Set it up once. Then no constantly making lists.

— SHOW, DON'T TELL

One look. Three photos.

The pink ghost coffee bar, in the order every look runs: Basic, Styled, Lifestyle.

WHAT COMES WITH EVERY LOOK

The photos open the door.
The words get the **save**.

WITH EVERY LOOK

Pinterest Pin copy.
Three Pins per look.

The Instagram post.
Carousel: lifestyle, styled, clean.

Shop-the-look blog post.
One page for the whole look.

Where it links.
Each Pin links to the Amazon list its products came from.

Your tools.

Claude desktop and Chrome,
Amazon Associates or Influencer,
Pinterest, image tools.

Your setup.

Your own accounts. The
computer needs to be on when
the tasks run, and the Amazon list
step uses the browser on that
computer. Tool costs are
separate.

Your path.

Blog and Instagram are optional.

How it runs.

Automatic by default, with the
option to approve everything
yourself. We recommend turning
approvals on for your first few
days.
