

30 DAYS OF AI PERSONA PHOTO PROMPTS

Five finished persona prompts, and the world they come from.

Every prompt is copy-paste ready and opens by locking her identity to the reference sheet. Each day is a different place, outfit and story in the persona's own world, so thirty photos read as thirty real days.

**BUILT FOR**

Saltbox Cove Candle Co.

Maren Ashby makes hand-poured candles in a coastal town and runs her brand without showing her own face. Her AI persona, Marnie, is the face of the brand, built from Maren's own reference sheet.

★ Sample built for a fictional client.

5 of 30 prompts shown, with their 5 photo slots. The full order is 30 prompts, 30 finished photos and this written world.

THE PERSONA'S WRITTEN WORLD

Before any prompt: **where Marnie actually lives.**

This page is what keeps thirty photos consistent. Every prompt pulls its place, clothes and props from here, so she's always the same woman in the same world.

WHERE SHE LIVES

A grey-shingled cottage above a small working harbour. Low ceilings, a cast-iron wood stove, wide pine floorboards, a kitchen table that's always half covered in order slips.

WHERE SHE WORKS

The old boathouse at the bottom of the garden, now her candle studio: steel pouring pots, rows of cooling jars on pine shelves, a big window onto the water.

WHO'S WITH HER

Pilot, a black Labrador who follows her everywhere and is usually a little damp.

WHAT SHE WEARS

Cream fisherman sweaters, striped long-sleeve tees, a waxed canvas apron, wide-leg linen trousers, yellow rain boots. Hair worn up in a clip or a loose braid. Never blazers, never glam.

HER SIGNATURE PROP

A sea-glass green enamel mug with a chipped rim. It's in every frame she's in.

THE FEELING

Salt air, hard-working hands, quiet and warm. Nice things that are used every day, never staged.

NEVER WRITTEN IN A PROMPT

Her face, features, skin, eye colour, hair colour, hair length, body shape or age. Those come from the reference sheet alone. Writing them in words is what makes a persona drift.

WRITTEN FREELY

How her hair is worn, what she wears, jewellery, footwear, what she's doing, where she is and how the light falls.
