THE PART NOBODY TELLS YOU

You found the look. **Now what?**

Every single look comes with four jobs. Tomorrow brings a new look and the same four jobs.

1**The photos****2****The words****3****Where people shop it****4****Doing it all again tomorrow**

6 Pins a day. **By hand?**

Passive income isn't passive when you are the one doing every job.

HERE'S THE SHIFT

What if the treadmill ran **without you?**

The While-You-Sleep
StorefrontTM does the jobs
for you. Set it up once. Then
no constantly making lists.

“NO THINKING.”

The Pink Ghost Coffee Bar

I wanted Halloween in the kitchen without anything that would scare the kids at breakfast. So: pink ghosts with a BOO sign, flameless candles printed with pumpkins and bats, pink and white jack-o-lanterns, a big messy drape of pink creepy gauze and a flock of paper bats up the wall. It went up in one evening, the box is still half unpacked, and I have zero regrets.
