THE PART NOBODY TELLS YOU

You found
the look.
Now what?

Every single look comes with four jobs. Tomorrow brings a new look and the same four jobs.

ANOTHER LATE ONE

1

The photos

2

The words

3

Where people shop it

4

Doing it all again tomorrow

REAL TALK

Passive income isn't passive when you are the one doing every job.

6

Pins a day.
By hand?

— HERE'S THE SHIFT

What if the treadmill ran **without you?**

LIGHTS OUT. **THE LIST IS NOT ON YOU.**

The While-You-Sleep Storefront™ does the jobs for you. Set it up once. Then no constantly making lists.

“NO THINKING.”

Jodie, on why she built it

SHOW, DON'T TELL

One look. Three photos.

1 · BASIC

2 · STYLED

3 · LIFESTYLE

1

See the pieces
every piece, laid out

2

Feel the style
fully styled, never bare

3

WHAT COMES WITH EVERY LOOK

The photos open the door. The words get the **save**.

1

Pinterest Pin copy

Three Pins per look.

2

The Instagram postCarousel: lifestyle,
styled, clean.

3

Shop-the-look blog post

One page for the whole look.

**WHERE IT LINKS**

Each Pin links to the Amazon list its products came from.

YOUR TASTE RUNS IT

My pink.
Your **recipe.**

THREE CHOICES YOU MAKE ONCE

1

Your theme

2

Your visuals

your own persona, or
flat lays only

3

Your
storefront path

PICTURE YOUR FIRST LOOK

A weekend outfit, a seasonal shelf, a gift guide your people
would save.

HOW IT RUNS

Three steps.
Then it **keeps** going.

THE COMPUTER STAYS ON. **YOU DON'T HAVE TO.**

1

FIRST

Set it up once

2

THEN

It builds
2 looks a day

3

EVERY DAY

It posts, pins
and blogs

YOU CHOOSE

Automatic by default. Turn approvals
on for your first few days if you like to
check everything.

2

looks a day
= 6 Pins

WHAT'S INSIDE THE KIT

The pieces behind the pretty.

1

01 · FIRST

Set it up

A guided setup that records your choices.

2

02 · SECOND

Build the looks

The themed-look recipe for any theme or season.

3

03 · THIRD

Keep it running

Scheduled tasks, plus a missed-run check.

4

04 · LAST

Extend it

Optional blog and Instagram. Outfit of the Day recipe for Brand Closet™ members.

— HONEST, UP FRONT

A quick fit check. Then your **first look**.

Your tools

Claude desktop and Chrome, Amazon Associates or Influencer, Pinterest, image tools.

Your setup

Your own accounts. The computer needs to be on when the tasks run, and the Amazon list step uses the browser on that computer. Tool costs are separate.

Your path

Blog and Instagram are optional.

HOW IT RUNS

Automatic by default, with the option to approve everything yourself. We recommend turning approvals on for your first few days.

The kit does not promise sales or income.

YOUR NEXT STEP

Ready to build around **your taste?**

PLANNED. PINNED. POSTED. BLOGGED. **YOU SLEPT.**
